## Why take PECS?

PECS helps improve students' overall ability in English. See the comments provided by former PECS students:

“The teacher repeats the content in many different ways so that we assimilate the theory. He makes us practice oral skills, writing skills and pronunciation skills.”

“We did a lot of activities such as games in teams or orals in groups. It is not only fun but also helps us socialize ... with people we might not have a chance to know.”

“PECS... was always interesting and I learned a lot. The teacher was really helpful.”
