

PSYCHOLOGICAL HARASSMENT POLICY

1. DATE

Adopted by the Board of Governors on May 25, 2021.

2. PURPOSE AND OBJECTIVES

Marianopolis College is committed to fostering an environment where all members of its community feel respected and are free from harassment. Through this policy, the College affirms a zero-tolerance stance on harassment. The College recognizes the critical importance of proactive, accessible and effective approaches that prohibit, prevent and respond to harassment. Every member of the Marianopolis community has a role to play in maintaining a safe and respectful environment.

The purpose of this policy is to:

- protect the right to a safe and respectful learning and working environment for each member of the Marianopolis community;
- build awareness in the College community of the kinds of behaviours that constitute harassment;
- comply with the Act Respecting Labour Standards and the Charter of Human Rights and Freedoms;
- define roles and processes to address allegations of misconduct;
- guarantee timely and coordinated responses to disclosures and reports of harassment.

3. SCOPE OF APPLICATION

This policy applies to:

- all College-sanctioned activities, whether employment-related, academic, recreational, athletic or otherwise, occurring on campus, off campus or online. This includes but is not limited to courses, academic activities, sports, clubs, associations, trips and events.
- any other context when that behaviour limits the ability of a member of the Marianopolis community to enjoy a safe and respectful environment at the College or while engaged in College activities.

- can occur repeatedly or in a single serious incident that has a lasting harmful effect on the individual;
- can occur between people of any status, regardless of whether there is a power differential between them;
- can include vexatious behaviour of a sexual nature in the form of hostile or unwanted conduct, verbal comments, actions or gestures. In such cases, the Sexual Violence Policy will apply.

Discrimination on any of the grounds listed in section 10 of the Quebec Charter of Human Rights and Freedoms may also constitute harassment: "race, colour, sex, gender identity or expression, pregnancy, sexual orientation, civil status, age except as provided by law, religion, political convictions, language, ethnic or national origin, social condition, a handicap or the use of any means to palliate a handicap."

Examples of behaviour that may constitute harassment include but are not limited to bullying, defamatory remarks, threats, isolation and humiliation.

Examples of behaviour that do not necessarily constitute harassment include but are not limited to interpersonal disagreements, exercise of workplace or classroom management and disciplinary measures.
