

STRATEGIC PLAN 2021-2026

Deliver incomparable academic programs

Review and strengthen our academic offering to create a distinctive Marianopolis identity for each program.
Ensure that each program provides clear pathways to and rigorous preparation for university.
Offer French and/or bilingual DEC's in select programs.
Enhance our physical and digital environments to better support innovative pedagogy.

Foster unique opportunities for self-development and empowerment

Care for our students' mental health with a strengths-based approach that fosters resilience and skill building.
Develop our university and career exploration through connections with alumni and community partners.
Create rewarding opportunities for students to engage with today's societal and environmental issues.
Foster opportunities for our personnel to enrich their skills and expertise in support of our programs and students.

Provide an unparalleled experience within a welcoming campus

Ensure our services and processes are more accessible, efficient, cohesive and student-centered.
Improve and expand spaces where students can study, collaborate and socialize.
Enhance our outdoor grounds for teaching and learning, wellness and sustainability.

Be a recognized leader in the Quebec college network

Increase visibility and awareness of Marianopolis in communities where it is less known.
Expand our efforts to attract, recruit and retain excellent students and employees.
Leverage our community members as ambassadors, notably to support student recruitment and fundraising.
